

WILSON LEARNING CHINA RECIPIENT OF TOP VENDOR OF THE YEAR 2005 AWARD FROM APPLIED MATERIALS CHINA

Hong Kong, China — December 12, 2005 — Wilson Learning China, part of Wilson Learning Worldwide, a global provider of Human Performance Improvement solutions, has been named the recipient of the Top Vendor of the Year 2005 Award given by Applied Materials China (AMC). This honor is yet another reflection of Wilson Learning's unwavering commitment to its customers around the world.

The Purchasing Department of Applied Materials China selected Wilson Learning as the award recipient for excellent performance, good quality & reasonable price throughout the 2005 calendar year.

"More and more, Wilson Learning is becoming known for our capability to work globally," says David Yesford, Vice President of Solution Management, Wilson Learning Worldwide. "We have been developing and implementing true human performance improvement solutions that solve real business problems to customers all over the world."

Over the past year, Wilson Learning China has delivered *Signature Customer Service* to AMC's service technicians. They have been successfully delivering this program to Applied Materials in China since 2003.

"We are honored to be recognized by one of our largest customers in this way," says Francis Lam, President of Wilson Learning China. "Like I've said in the past, we take great pride in the work we do with our customers, and it's reaffirming to know that they do, too."

Congratulations to Neil Porter, Branch Manager, Shanghai, Wilson Learning China, and to the rest of the team for their excellent work.
